RE:Online Rent Payment Option

Dear Tenant(s),

Godfrey Property Management, Inc. will begin offering the option of online rent payments through the website: **cozy.co** (that's correct- it's not .com).

While you are welcome to continue to deliver your payment directly to the office in the form of cash, money order or check, now you can also deliver payment remotely through the internet using this rent payment site. We are just in the beginning stages of the new payment set-up, so until you've received confirmation that you're set-up for online payment processing please be sure to ensure your payment is delivered in time by one of the former methods of payment we have collected so far. For now, you're welcome to visit cozy.co to read more about how the process works. I've included some information from the site in this mailing as well. If you'd like to set-up online payments I'll need the attached Payment Authorization form filled out and signed before we can begin. Once you've returned the Payment Authorization form back to me (anyone who would be making a payment must fill out the form and submit to the office as well), I can set up the payment authorization acceptance on my end. Once that is completed you will then go into the cozy.co portal and schedule the amount you'd like to pay and start the payment process.

Office hours will be limited for the remainder of the year (open Dec. 20 & 21 and a few hours on Dec. 22). We will reopen Dec. 27th & 28th, and then be closed until January 2nd. But in January I will be working to set-up any tenants who would like to utilize this new payment option in hopes that anyone who wishes to pay online can do so in time for the Feb. 1st rent payment. And if you are not sure and decide you'd like to join later in the year that is okay too. Just reach out when you're ready and we can work to get it set up. I'm hoping this new option to deliver payment will be beneficial to anyone who has the desire to use it.

Happy Holidays!

Sincerely,

A handwritten signature in black ink, appearing to read "Whitney Godfrey".
